

# Online Check-in

---

Reservation number: KD6KKH

Your itinerary is shown below. Please select the passengers that you wish to check in (all are currently selected) and then simply click the 'check in' button.

If you have made your booking through a Travel Agent or Tour Operator, we regret that you will be unable to use online check-in. This service is only available to customers who have booked with Monarch directly.

**IMPORTANT: If you do not have a valid European passport you need to check in at the airport and not online, so that our agents can ensure the appropriate arrangements are made.**

**Please note:** A maximum of 9 passengers can be checked in online. If you have more than 9 passengers in your group please check-in at the airport.

If you have not already pre-allocated seats together or extra legroom for your group and wish to do so in advance of checking in you can do this by 'changing' your booking. Enter your booking reference and email address on the previous page and click 'view/change' instead of 'check-in'. Follow the process through to assign and pay for seats as appropriate.

**Changes to your booking are NOT possible once you have checked in.**
